MISSION STATEMENT

FLY FISHERMAN HAS BEEN THE LEADING MAGAZINE OF FLY FISHING SINCE 1969. EIGHT TIMES PER YEAR WE PROVIDE THE BEST INFORMATION ON LOCAL AND EXOTIC DESTINATIONS, TACTICS AND TECHNIQUES TO HELP FLY FISHERS OF ALL SKILL LEVELS CATCH MORE FISH, NEW FLY PATTERNS FROM THE WORLD'S BEST TIERS, AND THE LATEST NEWS ON HOW WE ARE PRESERVING AND RESTORING OUR VALUABLE FISHERIES.

THE AUTHORITATIVE SOURCE

Our regular contributors include internationally recognized guides and fly tiers like Hilary Hutcheson, George Daniel, Blane Chocklett, Landon Mayer, Michael Wier, and Charlie Craven. This new generation is following in the footsteps of FLY FISHERMAN writers like Lefty Kreh, Gary LaFontaine, and Ernest Schwiebert. Our author/experts are constantly exploring new frontiers, and along the way finding better ways of solving old problems. Together, they'll give you a deeper understanding of the challenges and the rewards of fly fishing, and help you get more out of the sport whether you're swinging for winter steelhead, or tying flies for a dream trip to Montana.

FLY FISHERMAN's documentary film *One Path: The Race to Save Mongolia's Giant Salmonids* won "Best Freshwater Fishing Film" at *The Drake* magazine's 2019 Flyfishing Video Awards. Editor and publisher Ross Purnell received the "2019 President's Choice Award" presented by the Outdoor Writers Association of America in their annual "Excellence in Craft Contest," as well as first place in the "TV/Video Contest Fishing Category," and second place in the "TV/Video Contest Conservation or Nature Category."

The 90-minute documentary film *Blood Run: Fly Fishing with Amazon Warriors* highlighted the incredible fishing in the clear headwaters of the Amazon River, and detailed the conservation efforts of the Kayapo people in preserving their land and their pristine rivers from encroaching fires, clear-cutting, and mining. *Blood Run* premiered in prime time twice on Outdoor Channel on the opening night in August of 2020, and it aired multiple times in the months after on Outdoor Channel, Sportsman Channel, and World Fishing Network. In October 2020, the film enjoyed digital premieres on Facebook, Instagram, and YouTube with a total audience of more than 1.3 million combined on cable TV networks and social media.

OSG NETWORK GENERATED IMPRESSIONS 2.8 MILLION+

In the post-covid era, popular rivers are often crowded, foreign travel is complicated or overbooked, and boat launches can be a zoo. FLY FISHERMAN's newest short film *Over the Guardrail* is a story of two distant relatives who share a close bond due to their love for the outdoors. Together, they find untapped rivers just off or actually under the freeway—places that are in plain sight, but provide solitude and other hidden secrets like smallmouth bass and wild brown trout. Join FLY FISHERMAN editor/publisher Ross Purnell and his nephew Josh Burnham as they escape to a suburban wilderness in a 2-man raft to find after-dark mayfly hatches, death-defying rope swings, big trout in small places, and unexpected friends in strange places.

Sponsored by NRS Fishing, Troegs Brewing, Abel Reels, Scientific Anglers, Orvis, Flymen Fishing Company, Tornado Anchors, the film debuted on-line through FLY FISHERMAN digital channels in January 2023.

The fly-fishing-travel market is strong. There are large numbers of hardcore fly fishers who are 55 to 65 years old who are top income earners in their professional fields, and in this post-covid era there is a strong motivation among this group to travel now, while they still have their health, and restrictions are limited or non-existent. They just need to hear about the opportunities. There is also a smaller group of younger professionals who don't yet have kids, and they are also seizing the opportunity right now to use that freedom for fly-fishing travel.

These groups are just two of the reasons why we publish *Destinations* magazine to help guide consumers toward the best lodges and outfitters in the world. *Destinations* goes on sale in early September 2024 and is on sale nationwide for 90 days.

This glossy, coffee-table magazine is targeted at traveling fly fishers who annually spend \$10,000 to \$20,000 on fly-fishing travel, and are looking for a quality experience tailored for their unique appetites for wild environments, rewarding fishing, and at the end of the day, comfortable accommodations and fine dining.

Destinations magazine is a stunning visual guide to these places. It is 120 pages printed on 50-pound #3 Somerset Gloss paper, perfect scored and hinged, with a cover printed on 150-pound paper and a soft touch gloss finish. It's a media experience that is cherished, saved, and read over and over again in living rooms, fly shops, and fine fishing lodges around the world.

Destinations is a handbook and a field guide, not just for future adventures, exotic species, giant trout, and great adventures, but for the best rods, reels, and outerwear they'll need to make it successful.
