# FIREARMS NEWS

Published for more than 65 years, *Firearms News* (formerly Shotgun News) is the oldest Outdoor Sportsman brand - and the world's largest gun sales publication. The FAN audience of firearms fanciers devour more than 4,000 pages of advertising a year in search of the biggest and best bargains on the most interesting contemporary, vintage and antique guns and accessories. For dealers, auctioneers and private sellers, Firearms News - both in print and online - provides the best and most active consumers of guns and gun products anywhere.

## Take Advantage of this Diverse, Active and Influential Consumer by Leveraging the Synergies of the Firearms News Brand

Independent Research by Dynamic Logic and Millward Brown confirmed that the most effective approach to driving consumer 'purchase intent' is to rely on media synergy to best drive results. Key revelations from 32 studies conducted from 2003 through 2007 include:

- Three media were better than two, and two media were better than one in generating results.
- The combination of TV and magazines provided more response (versus TV alone) than did TV plus online.
- Print was most effective in driving online traffic – and that traffic increased considerably when URLs were included in advertising and marketing messages.

## Cumulative Effects of Different Media Combinations

Pre/Post Point Change (Index vs. TV Alone)

**Note:** Results reflect the impact of different media combinations expressed as an index of TV as the base medium

- 3.** Cancellations must be in writing, and none are considered accepted until confirmed in writing by the publisher.
- 4.** Cancellation of a space contract by the advertiser or its agency will result in the forfeiture of position protection and/or the contract rate, if any. The rate on past and subsequent insertions will be adjusted to conform to the actual space used at current rates.
- 5.** The publisher shall not be liable for any delay or failure to print, publish or circulate all or any portion of any issue in which an advertisement accepted by the publisher is contained if such failure is due to acts of God, strikes, work stoppages, accidents, or other circumstances beyond the publisher's control. The liability of publisher, if any, for any act, error, or omission for which it may be held responsible at law or in equity shall not exceed the cost of the advertising space affected by the error. In no event shall publisher be liable for any indirect, consequential, punitive, special, or incidental damages, including, but not limited to, lost income or profits.
- 6.** Advertiser and agency represent and warrant that they are authorized to publish the entire contents and subject matter of any advertisement in any issue or edition and that publication will not violate any law or infringe upon any right of any party or result in any claims against publisher. - 7.** No conditions, printed or otherwise, appearing on the contract, order, or copy instructions that conflict with the publisher's policies or the terms and conditions stated herein will be binding on the publisher and to the extent inconsistent with the terms herein, these terms and conditions shall govern and supersede any such conditions.
- 8.** The publisher has the continuing right to adjust its rate schedule and will regard the failure of an order to correspond to the rate schedule as a clerical error and will, without further communication, invoice the advertiser based on rates in effect at that time.
- 9.** The publisher will hold the advertiser and/or its advertising agency jointly and severally liable for such monies as are due and payable to the publisher. Please be advised that there is no "sequential liability" to the publisher. Payment is due upon receipt of invoice. All payments must be in United States currency.
