## 2017 MEDIA KIT

[gunsandammo.com](http://gunsandammo.com)

# **GUNS&AMMO**

**Guns & Ammo** is the preeminent, most respected media brand in the firearms field. G&A covers the complete spectrum of firearms, accessories and related products and it reaches more enthusiast-consumers than any other content provider in the category — in print (Guns & Ammo magazine), online ([gunsandammomag.com](http://gunsandammomag.com)) and on TV (Guns & Ammo TV, Guns & Ammo Classics and Personal Defense TV). For the most effective campaigns, savvy marketers leverage the strength of the brand across the entire Guns & Ammo media platform.

### Take Advantage of this diverse, active and influential consumer by leveraging the synergies of the Guns & Ammo brand

Independent Research by Dynamic Logic and Millward Brown confirmed that the most effective approach to driving consumer 'purchase intent' is to rely on media synergy to best drive results. Key revelations from 32 studies conducted from 2003 through 2007 include:

- Three media were better than two, and two media were better than one in generating results.
- The combination of TV and magazines provided more response (versus TV alone) than did TV plus online.
- Print was the most effective in driving online traffic — and that traffic increased considerably when URLs were included in advertising and marketing messages.

### Shooting and the American Consumer\*

While mainstream marketers often misrepresent the shooting enthusiast and the media that serves them as niche, or as having undesirable connotations, the reality is that these consumers represent a powerful and deep cross-section of American consumers. Key facts about this influential market include:

- 43% of U.S. households own firearms, representing over 200 million guns.
- 20 million individuals take part in competitive shooting in the United States — and the 2016 Summer Olympics featured 15 different shooting events for both men and women.
- Over 1.4 million Americans used firearms in their line of work — including law enforcement and military personnel.
- The U.S. firearms industry includes approximately 200 companies employing about 15,000 individuals with annual revenues in excess of \$2 billion.

- 1.** The publisher may reject any advertising for any reason at any time, even if previously acknowledged or accepted.
- 2.** Cancellations or changes in advertising (including changes in insertion orders) will not be accepted by the publisher after the issue closing date.
- 3.** Cancellations must be in writing, and none are considered accepted until confirmed in writing by the publisher.
- 4.** Cancellation of a space contract by the advertiser or its agency will result in the forfeiture of position protection and/or the contract rate, if any. The rate on past and subsequent insertions will be adjusted to conform to the actual space used at current rates.
- 5.** The publisher shall not be liable for any delay or failure to print, publish or circulate all or any portion of any issue in which an advertisement accepted by the publisher is contained if such failure is due to acts of God, strikes, work stoppages, accidents, or other circumstances beyond the publisher's control. The liability of publisher, if any, for any act, error, or omission for which it may be held responsible at law or in equity shall not exceed the cost of the advertising space affected by the error. In no event shall publisher be liable for any indirect, consequential, punitive, special, or incidental damages, including, but not limited to, lost income or profits.
- 6.** Advertiser and agency represent and warrant that they are authorized to publish the entire contents and subject matter of any advertisement in any issue or edition and that publication will not violate any law or infringe upon any right of any party or result in any claims against publisher. In consideration of the publication of an advertisement, the advertiser and the agency, jointly and severally, will indemnify, defend and hold harmless KSE Sportsman Media, Inc. its affiliates officers, agents and employees against any and all losses and expenses (including legal fees) arising from or relating to (a) a breach or misrepresentation of the foregoing representations and warranties, and/or (b) the publication or contents of the advertisement including, without limitation, claims or suits for defamation, libel, misappropriation, privacy or publicity rights, copyright or trademark infringement, plagiarism, and from any and all similar claims now known or hereafter devised or created.
- 7.** No conditions, printed or otherwise, appearing on the contract, order, or copy instructions that conflict with the publisher's policies or the terms and conditions stated herein will be binding on the publisher and to the extent inconsistent with the terms herein, these terms and conditions shall govern and supersede any such conditions.

- 9.** The publisher will hold the advertiser and/or its advertising agency jointly and severally liable for such monies as are due and payable to the publisher. Please be advised that there is no "sequential liability" to the publisher. Payment is due upon receipt of invoice. All payments must be in United States currency.
